**Body Material:**

Any acceptable

**End Application:**

3805-01-164-6088

**Integral Valve Operation Method:**

Hydraulic

**Design Characteristics:**

Double acting single cylinder

**Piston Rod End Similarity:**

Not identical

**Mounting Type And Location:**

Ring cylinder head end

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A34200
