**Body Material:**

Steel

**Tempurature Rating:**

Not rated

**Body Outside Diameter:**

2.000 inches

**End Application:**

Electric forklift truck, raymond corporation, model 040-r4tn

**Compressed Length:**

16.000 inches

**Extended Length:**

21.500 inches

**Pressure Rating:**

Not rated

**Features Provided:**

Piston rod

**Design Characteristics:**

Double acting single cylinder

**First Piston Rod End Style:**

Fork type (clevis)

**Mounting Type And Location:**

Bearing cylinder head end

**Port Location And Quantity:**

1 cylinder head end1 piston rod end

**Special Features:**

Includes a stop p/n 126-000-066 to limit piston rod extension

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A34200
