**First End Style:**

Plain

**End Similarity:**

Identical

**Overall Length:**

4.970 inches

**End Application:**

2350-01-091-5405

**First End Diameter:**

0.3750 inches

**Special Features:**

Consists of shaft, 12334656-2 and arm, 12334656-1. The arm fits on the end of the shaft 3.000 in. Lg 0.062 in dia

**Material:**

Aluminum alloy 5083

**Material Specification:**

Qq-a-200/4 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A23200
