First End Style:

Plain

End Similarity:

Identical

Overall Length:

4.970 inches

End Application:

2350-01-091-5405

First End Diameter:

0.3750 inches

Special Features:

Consists of shaft, 12334656-2 and arm, 12334656-1. The arm fits on the end of the shaft 3.000 in. Lg 0.062 in dia

Material:

Aluminum alloy 5083

Material Specification:

Qq-a-200/4 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23200
