First End Style:

Plain

End Similarity:

Not identical

Second End Style:

Threaded cross drilled (thru hole)

Overall Length:

8.4420 inches

End Application:

3990-01-307-7676 pls flatrack

Step Quantity:

2

Product Name:

Shaft-roller

Special Features:

First end has washer welded to end

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23200
