Body Width:

0.500 inches

End Application:

1450-01-262-1144

Body Construction:

Solid

Special Features:

One end slotted 0.224 in. Thru; other end internally threaded .2500-20 unc-3b x .50 deep 2 places.

Material (non-core):

Steel, ams 5643, 17-4ph

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A52410
