Body Construction:

Solid

Special Features:

Dimensions are in inches, 1.115 thk, 2.25 wide, 4.00 long, hole through one end 1.00, hole drilled 0.750 deep other end with pilot hole 0.240 drilled through to other end

Material (non-core):

Steel, qq-s-766, class 304, cond a

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A52410
