First End Style:

External threaded

End Similarity:

Identical

Overall Length:

10.4400 inches

First End Diameter:

0.2500 inches

First End External Thread Length:

0.6000 inches

Surface Finish:

125.0 microinches

Special Features:

Threads are .250-28unf-2a

Material:

Steel comp 1018

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23200
