First End Style:

Plain

End Similarity:

Identical

Overall Length:

4.500 inches

First End Diameter:

0.1900 inches

Special Features:

One end has int drilled hole, 0.067-0.073 in.Dia by 0.190 in.Dp

Material:

Steel comp 304

Material Specification:

Qq-s-763, cond a federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23200
