First End Style:

Plain

End Similarity:

Identical

Overall Length:

23.250 inches

End Application:

1730-01-350-8521

First End Diameter:

1.0000 inches

Surface Finish:

20.0 microinches

Material:

Steel comp 440c

Material Specification:

Qq-s-763 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23200
