**First End Style:**

Plain

**End Similarity:**

Identical

**Overall Length:**

105.250 inches

**End Application:**

2040-II-hb3-6940

**First End Diameter:**

0.3080 inches

**Surface Finish:**

125.0 microinches

**Special Features:**

Tubing; with hole through end to end

**Material:**

Steel comp 304 or steel comp 316 or steel comp 321 or steel comp 347

**Material Specification:**

Astm a-269 assn standard single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A23200
