First End Style:

Plain

End Similarity:

Identical

Overall Length:

28.620 inches

End Application:

2350-01-390-4683

First End Diameter:

0.4980 inches

Step Quantity:

13

Surface Finish:

32.0 microinches

Special Features:

Finish per type i or ii specification tt-c-490, prime per specification tt-p-659 enamel white

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23200
