Overall Width:

2.399 inches

End Application:

2520-01-338-2703

Center To Center Distance Between Link And Shaft Holes:

3.150 inches

Link End Thickness:

0.068 inches

Special Features:

Consists of y-shaped arm w/ball welded onto straight end

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A524p0
