First End Style:

Plain

End Similarity:

Not identical

Second End Style:

Indented flat keyway

End Application:

Nimitz class cvn

Second End Keyway Width:

0.5000 inches

Second End Keyway Depth:

0.2500 inches

Step Quantity:

6

Material:

Steel comp 1141

Material Specification:

Qq-s-637 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23200
