Linear Actuating Cylinder Assembly - Page 1 of 1

View Online at <https://aerobasegroup.com/nsn/3040-01-423-5100>

End Application:

Weapons system shipboard material handling equipment mhe

Integral Valve Operation Method:

Pneumatic

Special Features:

Used in compressor, air end complete, ingersoll-rand comapny, model xhp300w

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A34200
