Overall Length:

3.560 inches

End Application:

Pacer dawn

Link Style:

90 degrees offset holes

Body Construction:

Tubular

Special Features:

End0.620 diameter center drilled hole for insert

Material (non-core):

Aluminum alloy, qq-a-591, comp 2

Material:

Aluminum alloy

Surface Treatment (non-core):

Anodized

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A52410
