Overall Length:

1.625 inches

Body Width:

0.750 inches

Body Thickness:

0.165 inches

End Application:

3930-01-298-5737

Link Style:

Straight

Body Construction:

Solid

Special Features:

Used on 544e and 624e loaders parking-emergency brake linkage

Material (non-core):

Steel, sae 1020

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A52410
