First End Style:

Plain

End Similarity:

Identical

Overall Length:

1027.2 millimeters

End Application:

2320-01-354-4529; w/s truck, family of medium tacticle vehicle (fmtv)-medium

First End Diameter:

50.8 millimeters

Material:

Steel comp 1144

Material Specification:

Astm a311, type b assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23200
