First End Style:

Plain

End Similarity:

Identical

Overall Length:

1.187 inches

End Application:

Azimuth circle mk4 mod 3

First End Diameter:

0.0947 inches

Surface Finish:

125.0 microinches

Special Features:

Passivate per mil-s-5002 (black)

Material:

Stainless steel

Material Specification:

Qq-s-763, class 321 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23200
