End Application:

An/aaq-13

Product Name:

Volume compensator

Special Features:

Item is rectangular shaped with aluminum frame and rubber body. L around the perimeter fin. Chem film per mil-c-5541

Material:

Aluminum bronze

Material:

Copper alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T164-c
