Overall Length:

10.560 inches

Overall Width:

1.000 inches

End Application:

Seawolf class ssn

Mounting Method:

Drilled hole

Material:

Aluminum alloy

Material Specification:

Qq-a-200/7 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A524v0
