End Similarity:

Not identical

Overall Length:

12.370 inches

End Application:

Special aircraft support equipment

Product Name:

Planetary drive

Special Features:

14 teeth; 12/24 spline pitch; gear reduction 14.06: 1

Supplementary Features:

Max.Inter.Otpt torq50, 000lb.; max.Input speed 5000 rpm

Unit Of Issue Weight:

95.00 pounds

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23200
