Overall Length:

18.0625 inches

Body Diameter:

0.7500 inches

Body Width:

1.5000 inches

Body Thickness:

0.3750 inches

End Application:

Used on wasp class lhd, door wtqa 26"

Link Style:

Straight

Body Construction:

Solid

End Attachment Style:

B2

End Attachment Hole Diameter:

0.7500 inches both ends

End Attachment Length:

3.9375 inches both ends

End Attachment Width:

0.3750 inches both ends

Product Name:

Connecting rod, lh handle side

Material:

Steel

Surface Treatment:

Zinc

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A52410
