Overall Length:

0.3750 inches

Body Diameter:

0.7500 inches

Body Width:

29.9375 inches

End Application:

Used on door, wtqa, 26" that goes on wasp class lhd

Link Style:

Straight

Body Construction:

Solid

End Attachment Style:

B2

End Attachment Hole Diameter:

0.7500 inches both ends

End Attachment Length:

3.3125 inches both ends

End Attachment Width:

1.5000 inches both ends

Product Name:

Con rod lh hng side

Material:

Steel

Surface Treatment:

Zinc

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A52410
