End Application:

C-17a

Link Style:

Eye ends

Body Construction:

Solid

Product Name:

Connecting link assembly, adjustable, lock, deflector, troop door

Special Features:

Nha p/n is 17p2a3302. Rod is adjustable. Rod length at full extension is 5.37 inches

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A52410
