**End Application:**

C-17a

**Link Style:**

Eye ends

**Body Construction:**

Solid

**Product Name:**

Connecting link assembly, adjustable, lock, deflector, troop door

**Special Features:**

Nha p/n is 17p2a3302. Rod is adjustable. Rod length at full extension is 5.37 inches

**Material:**

Steel

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A52410
