**Overall Length:**

3.340 inches

**Body Width:**

0.750 inches

**Body Thickness:**

0.750 inches

**End Application:**

Helicopter, attack mode

**Link Style:**

Straight

**Body Construction:**

Solid

**Product Name:**

Stowage rod

**Special Features:**

Surface treatment anodize iaw mil-a-8625, type 111, class 2 (nickel acetate seal), .003 in thick, black finish; nha 3392as301

**Material:**

Aluminum alloy

**Surface Treatment:**

Anodize

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A52410
