End Application:

Sub engineering and diesel systems

Specific Use:

Lift lever on liquid relief valve

Criticality Code Justification:

Feat

Special Features:

Next higher assembly-liquid relief valve

Material:

Stainless steel

Material Specification:

Astm a564-630 17-4 ph assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A50800
