Product Name:

Shaft assembly, straight

Special Features:

Detail part; impeller and rotor blade for fuel pump assembly 897390 and 897400; used on turbo prop engines

Specification Data:

99193-869904-11 manufacturers specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23800
