**End Application:**

Used on ballistic qa 18 diameter 51 hinged spring casing arr and det

**End Attachment Style:**

Raised face, round both ends

**Link Style:**

Straight

**Body Construction:**

Solid

**Product Name:**

Link

**Material:**

Steel

**Material Specification:**

Mils-22698 military standard all material responses

**Surface Treatment:**

Zinc and cadmium

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A52410
