End Application:

Used on ballistic qa 18 diameter 51 hinged spring casing arr and det

End Attachment Style:

Raised face, round both ends

Link Style:

Straight

Body Construction:

Solid

Product Name:

Link

Material:

Steel

Material Specification:

Mils-22698 military standard all material responses

Surface Treatment:

Zinc and cadmium

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A524I0
