Overall Length:

41.938 inches

Body Width:

1.500 inches

Body Thickness:

9.375 inches

End Application:

Nimitz class cvn

Link Style:

Straight

Body Construction:

Solid

Product Name:

Connecting rod rh

Material:

Steel

Material Specification:

Astm a108, gr 1018 assn standard single material response

Surface Treatment:

Zinc

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A52410
