**Overall Length:**

41.938 inches

**Body Width:**

1.500 inches

**Body Thickness:**

9.375 inches

**End Application:**

Nimitz class cvn

**Link Style:**

Straight

**Body Construction:**

Solid

**Product Name:**

Connecting rod rh

**Material:**

Steel

**Material Specification:**

Astm a108, gr 1018 assn standard single material response

**Surface Treatment:**

Zinc

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A52410
