Overall Length:

5.590 inches

Body Diameter:

0.625 inches

End Application:

3040-01-350-6314, 5325-00-739-7776, b-1 drawing number is I5226082

Link Style:

Tubular shank

Body Construction:

Tubular

Product Name:

Rod assembly, control, push-pull

Special Features:

Rockwell int/contract number f33-657-81-c-0210; heat treated aluminum tubes per st0111la0009; 10ac finish on interior, 10aa finish on exterior; 550 lbs axial proof test load, 0.035 inch tube wall thickness; specification control drawing le162-0002

Material:

Aluminum

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A524I0
