Overall Length:

29.000 inches

Body Thickness:

0.500 inches

End Application:

2320-01-230-0307

Body Construction:

Tubular

Product Name:

Link

Special Features:

Threaded at both ends/2x0.500-20 unf-2a

Material:

Stainless steel

Surface Treatment:

Primer

Specification Data:

19207-12369003 government standard

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A52410
