Overall Length:

5.750 inches

End Application:

Hatches & ballistic, 30x36 & 36x48 aess-flt dk

Special Features:

Threaded bottom half: 7/8-9 unc-2a

Material:

Copper alloy

Material Specification:

Qq-n-286/class a federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A517c0
