**Overall Length:**

2.400 inches

**Body Thickness:**

Between 0.255 inches and 0.265 inches

**End Application:**

Fa18 e&f

**Body Construction:**

Solid

**Special Features:**

Item has a locking device and may contain bearings

**Material:**

Steel

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A52410
