Overall Length:

1.760 inches

Body Width:

0.750 inches

Link Style:

Straight

Body Construction:

Solid

End Attachment Style:

B1

End Attachment Hole Diameter:

0.380 inches both ends

End Attachment Length:

0.880 inches both ends

End Attachment Width:

0.250 inches both ends

Material:

Stainless steel

Material Specification:

Astm a564, type 630 assn standard single material response

Surface Treatment:

Paint or primer

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A52410
