First End Style:

Plain

End Similarity:

Identical

Overall Length:

46.125 inches

End Application:

Aircraft carrier cvan 68

First End Diameter:

0.7500 inches

Special Features:

Part of ballistic flight deck hatch for arresting gear barrier welding stowage

Material:

Steel comp 1018

Material Specification:

Aisi-c-1018 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23200
