First End Style:

Plain

End Similarity:

Identical

Overall Length:

3.313 inches

End Application:

57 deg. Roller box assembly

First End Diameter:

0.3750 inches

Surface Finish:

125.0 microinches

Product Name:

Shaft, roller

Material:

Nickel alloy k-500

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23200
