Overall Length:

7.643 inches

End Application:

Aircraft carrier cv (n) 65

Special Features:

Hinged ballistic doors, mechanically operated for steering gear rm-arr

Material:

Steel

Material Specification:

Mil-n-3182 military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A517c0

Mil-std (military Standard):

Mil-n-3182 spec.
