Overall Length:

7.3750 inches

End Application:

Pallet truck

Special Features:

Dog spindle pc 314 with handle; nha pallet truck door; spindle diameter 1.5000 in and 1.783 in at end; drill 1/4 in diameter hole through spindle 2 7/8 in from end and 1/4 diameter x 2 7/8 dp hole tapped 5/16 in-24unf-3b x 1 in dp for p/n 310; similar to nsn 3040-01-476-7534 except this part includes a handle pc 336

Material:

Stainless steel

Material Specification:

Astm a564 assn standard single material response and qq-s-763 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A517c0
