Mechanical Drive Housing Part - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/3040-01-477-0221

Overall Length:
5.310 inches
End Application:
Nssn class submarine
Accessory Components And Quantity:
Tube 1, coupling 1
Material:
Copper alloy
General Description:
4 mounting holes on back plate; 4 mounting holes on body; tube and coupling attached underneath
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A23900
