End Application:

Rotary hydraulic actuator; seawolf

Model For Which Designed:

41042

Product Name:

C-3 port head

Special Features:

Material per astm b150 alloy c63200; port end 1.750-12un-3a; inside port diameter .521; head connected by 4 socket head cap screws with threaded inserts

Material:

Copper alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A525y0
