End Application:

Rotary hydraulic actuator; seawolf

Model For Which Designed:

41042

Product Name:

End cap

Special Features:

Material per astm b150 alloy c63200; connected by 8 hex head cap screws with threaded inserts

Material:

Copper alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A525y0
