Overall Length:

5.750 inches

End Application:

Valve assembly

Largest Step Diameter:

1.000 inches

Special Features:

Manufacturer's name-shaft, threaded

Material:

Steel comp 416

Material Specification:

Astma582 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23200
