## NSN 3040-01-479-5571

Shouldered Shaft - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/3040-01-479-5571

Overall Length:
3.250 inches
Largest Step Diameter:
0.750 inches
Special Features:
Drawing name-valve assembly, size special
Material:
Steel comp 416
Material Specification:
Astma582 assn standard single material response
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A23200
