Overall Length:

6.000 inches

Body Diameter:

0.875 inches

Body Width:

0.875 inches

End Application:

Ballistic door det 3 dog, gang oper

Link Style:

Tongue to external thread

Body Construction:

Tubular

Product Name:

Connecting rod

Special Features:

9nc-3; left thread

Material:

Stainless steel

Material Specification:

Qq-s-763 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A52410
