Overall Length:

41.9375 inches

Body Width:

1.5000 inches

Body Thickness:

0.3750 inches

End Application:

Wtqa doors

Link Style:

Straight

Body Construction:

Solid

Product Name:

Connecting rod rh hinge side

Special Features:

Five countersunk holes drilled 0.499 - 0.500 in dia. 3 crescent shaped cut outs in link 1/2 in. In depth

Material:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A524I0
