End Application:

C-295 acft

Body Construction:

Tubular

Product Name:

Welded assembly - control, with welded threaded rod-ends; 3/8 od

Special Features:

Consists of 2 an490-6 threaded rod ends welded to 1 nas-102-1-56

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A52410
